

DATA REQUEST FORM:

Energy and Water Reporting and Benchmarking for Large Buildings

Ontario Regulation 20/17 under the Green Energy Act, 2009 requires owners of large buildings with a gross floor area of 50,000 square feet and above to report their energy consumption and water use data to the Ministry of Energy on an annual basis. The reporting requirement will be phased in as displayed in the following schedule:

REPORTING TIMELINE	COMMERCIAL AND INDUSTRIAL BUILDINGS GROSS FLOOR AREA	MULTI-UNIT RESIDENTIAL BUILDINGS ¹ GROSS FLOOR AREA
By July 1, 2018 (information for 2017 calendar year)	250,000 square feet and larger	Not required to report in first year
By July 1, 2019 (information for 2018 calendar year)	100,000 square feet and larger	100,000 square feet and larger
By July 1, 2020 (information for 2019 calendar year)	50,000 square feet and larger	50,000 square feet and larger

Please use this form to request the annual electricity consumption data for your property from Oakville Hydro. Please email the completed form to hydro@oakvillehydro.com and quote “EWRB for Large Buildings Request Form” in the subject line.

Remember to submit your data request as soon as possible. Requests may take up to four weeks to process from the receipt of this form. Requests received after June 1 may not be processed by the July 1 deadline.

STEP 1: Gather necessary information

Before we can provide the energy consumption data for your building, we’ll need the following information:

- i. Ontario EWRB ID — a unique number provided by the Ministry of Energy (MOE) to large building owners
- ii. The assessment roll number and property code for your building — information which you can find on your property assessment and tax bill, or the Municipal Property Assessment Corporation (MPAC) website
- iii. Gross floor area of the building for which you’re requesting the energy consumption report

If you’re a property manager, energy consultant or other third party requesting energy consumption data on behalf of a property owner, the owner must complete and sign the authorization section under part A of this form in order to authorize Oakville Hydro to release the data to you. Oakville Hydro can’t process a request from a third party if this section isn’t completed and signed.

¹ For more information regarding the classification of your building, please consult the Energy and Water Reporting — Building Types document on the Ministry’s website: <http://www.energy.gov.on.ca/en/ontarios-ewrb/building-types/>
