

## Regulated Price Plan Declaration Form for Multi-Unit Residential Premises

The Regulated Price Plan (RPP) is available to businesses in a Class B Global Adjustment status with electricity consumption of 250,000 kilowatt hours or less annually. Multi-unit residential premise customers who own, or manage, a building that has multiple residences, but only one meter, may declare this information to qualify for the RPP Tiered thresholds for each residential unit. For more information about the RPP visit our website at [www.oakvillehydro.com](http://www.oakvillehydro.com)

Please complete the following self-declaration form if you meet the eligibility criteria below.

### Do you qualify?

Your account relates to:

- a dwelling, a property within the meaning of the *Condominium Act, 1998*;
- a residential complex, within the meaning of the *Residential Tenancies Act, 2006*; or
- a property that includes one or more housing units and that is owned or leased by a co-operative within the meaning of the *Co-operative Corporations Act, 1990*.

You can find these acts on the government's e-laws website at [www.e-laws.gov.on.ca](http://www.e-laws.gov.on.ca)

### Self-Declaration

If your account qualifies, please fill in the information below. If you have more than one account that qualifies, please provide a separate form for each account. If there are units in your building complex that are metered or billed separately from the account referenced, do not include them in the total number of units for this account.
